

INVESTMENT OF PUBLIC FUNDS POLICY

Purpose

The purpose of this policy is to outline the responsibilities, general objectives, and specific guidelines for management of public funds by the La Grange Park Public Library District. Its scope is all public funds of the library district.

Responsibilities

All investment policies and procedures of the library district will be in accordance with Illinois Law. The authority of the Board of Library Trustees to control and invest public funds is defined in the Illinois Public Funds Investment Act and the investments permitted are described therein. Administration and execution of these policies are the responsibility of the Treasurer who is acting under the authority of the Board of Trustees.

Delegation of Authority

Management and administrative responsibility for the investment program is delegated to the Treasurer. The Treasurer, and by designation, the Executive Director, is responsible for establishing internal controls and written procedures for the operation of the investment program.

Prudent Person Standard

All library district investment activities shall use a prudent person standard of care. This standard shall be applied in the context of managing an overall portfolio and specifies that investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital, as well as the probable income to be derived. Investment officers, acting in accordance with this policy and the written procedures of the library district, and exercising due diligence, shall be relieved of personal responsibility for a security credit risk or market price/value changes, provided deviations from expectations are reported in a timely fashion and appropriate action is taken to control adverse developments.

Objectives & Guidelines

In selecting financial institutions and investment instruments to be used, the following general objectives should be considered in the priority listed.

- 1) **Legality & Safety:** Investments will be made only in securities guaranteed by the U.S. government, or in FDIC insured institutions including SAIF of the FDIC. Deposit accounts in banks or savings and loan institutions will not exceed the amount insured by FDIC coverage (unless adequately collateralized pursuant to Regulations of the Federal Reserve regarding custody and safekeeping of collateral). Authorized investments include and will primarily consist of: Certificates of Deposit, Treasury Bills and other securities guaranteed by the U.S. Government, and any other investments allowed under State law that satisfy the investment objectives of the library district. Gifts of stocks and bonds shall be promptly sold after receipt, not retained as investments.
- 2) **Liquidity:** In general, investments should be managed to meet liquidity needs for the current month plus one month (based on forecasted needs) and any reasonably anticipated special needs.
- 3) **Yield:** Within the constraints of Illinois law, considerations of safety, and this investment policy, every effort should be made to maximize return on investments made. All available funds will be placed in investments or kept in interest bearing deposit accounts.
- 4) **Simplicity of Management:** The time required by Library District administrative staff to manage investments shall be kept to a minimum.
- 5) **Sustainable Investments:** Consistent with the Illinois Sustainable Investment Act, materials, relevant, and decision-useful sustainability factors have been or are regularly considered by the library, within the bounds of

financial and fiduciary prudence, in evaluating investment decisions. Such factors include, but are not limited to: (i) corporate governance and leadership factors; (ii) environmental factors; (iii) social capital factors; (iv) human capital factors; and (v) business model and innovation factors.

Reporting

Investments, fund balances, and the status of such accounts will be reported at each regularly scheduled meeting of the Library Board and at least quarterly include information regarding securities in the portfolio by class or type, book value, income earned, and market value as of the report date. At least annually, the Treasurer shall review this policy for any needed modifications and report to the Board on the investment portfolio, its effectiveness in meeting the library district's need for safety, liquidity, rate of return, diversification, and general performance.

Internal Controls

In addition to these guidelines, the Treasurer shall establish a system of internal controls and written operational procedures designed to prevent loss, theft, or misuse of funds.

Authorized Financial Dealers and Institutions

Any investment advisors, money managers, and financial institutions shall be considered and authorized only by the action of the Board of Library Trustees upon the recommendation of the Treasurer.

Conflicts of Interest

Officers and employees involved in the investment process shall refrain from personal business activities that might conflict with the proper execution and management of this investment program, or that could impair their ability to make impartial decisions, or that could give the appearance of impropriety.
